PROFESSIONAL SUMMARY

Android Developer with hands-on experience in building mobile applications using Java/Kotlin. Experienced in API integration, Firebase services, and modern Android architecture. Currently working as an Android Developer and seeking opportunities to build scalable mobile applications in a growth-focused organization.

TECHNICAL SKILLS

Java	Firebase	Android SDK
Kotlin	Figma	Git & GitHub
Android Studio	C++	SQL & SQLite

PROJECTS

Learning Management System: Developed a Learning Management System Android app with four roles (Admin, Admin Staff, Mentor, Student). Implemented authentication, course management, and **REST API** integration using **Java**, **XML** and **Android Studio**

BBSBEC College App: Developed an Android app for BBSBEC students providing study resources, PYQs, and class timetables. Helps students and juniors access academic materials and schedules in one place. Built using **Java**, **XML** and Android Studio.

PROFESSIONAL EXPERIENCE

ANSH Infotech

Jan 2026 - Present

Android Trainer

Trained students in Android app development basics and guided them in building Android projects. Helped students solve coding issues and understand core development concepts.

ANSH Infotech

June 2025 - Dec 2025

Android Developer Intern

Developed a Learning Management System (LMS) Android application with four roles: Admin, Admin Staff, Mentor, and Student. Implemented user authentication, course management features, and REST API integration to manage learning content and user activities. Built the application using Java/Kotlin in Android Studio and ensured smooth functionality across different user roles.

EDUCATION

Bachelor of Technology (B.Tech) - CSE

Baba Banda Singh Bahadur Engg. College, PTU
2022-2026

EXTRACURRICULAR ACTIVITIES

Organized Tech Fest 2025
Organized Fresher's Party 2024
Map the Brain Event Winner
NSS Volunteer
